

“This One manifests Itself in and through all creation.”

- Declaration of Principles

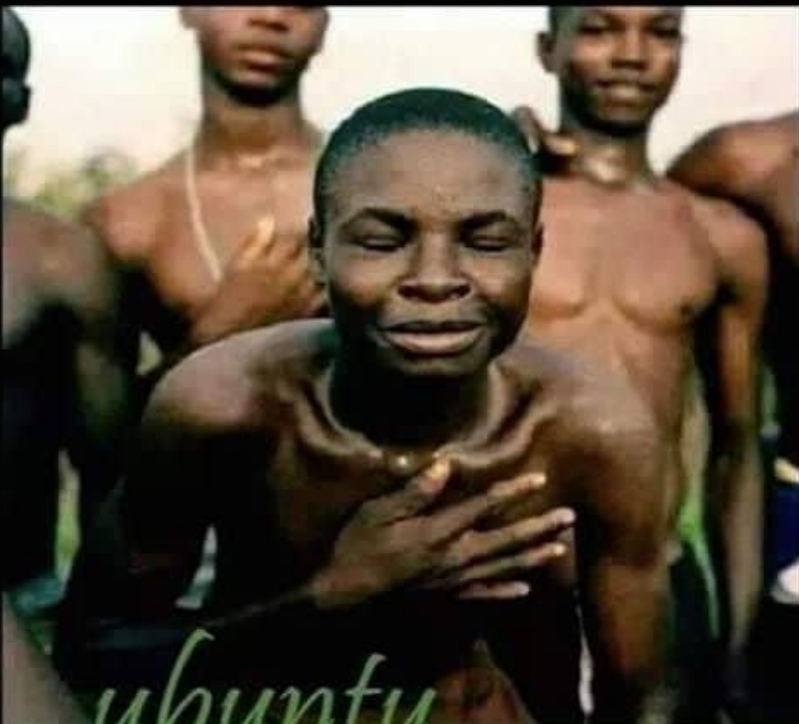

I am present to the wholeness and  
connectedness of all that is

**There is nothing to prove  
and nothing to protect. I am  
who I am and it's enough.**

Richard Rohr

In certain regions of South Africa, when someone does something wrong, he is taken to the center of the village and surrounded by his tribe for two days while they speak of all the good he has done. They believe each person is good, yet sometimes we make mistakes, which is really a cry for help. They unite in this ritual to encourage the person to reconnect with his true nature. The belief is that unity and affirmation have more power to change behavior than shame and punishment. This is known as Ubuntu - humanity towards others.

“Every Microcosm, every inhabited region, has a Centre; that is to say, a place that is sacred above all.”

- (Mircea Eliade (tr. Philip Mairet). 'Symbolism of the Centre' in Images and Symbols

“There is that within every individual which partakes of the nature of the Universal Wholeness and – in so far as it operates – is God.”

- The Science of Mind, Ernest Holmes,  
Chapter 1, p. 34
